REASONS FOR ALLOWANCE

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark Roberts on 2/17/05.

The application has been amended as follows:

In claim 75, line 1, delete "71" and insert -72--.

The following is an examiner's statement of reasons for allowance: the limitation of the polishing pad comprising an optically transmissive baking sheet having a top surface and an under surface with the planarizing medium being disposed on the top surface, a backing pad attached to the under surface of the backing sheet and the first elongated slot in the polishing pad is alignable with the illumination site in the table and at least one orifice in the backing pad is at least partially aligned with the first elongated slot, thereby forming an optical pass through system in the polishing pad, was not found in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
